

Freedom '27

Open Door's monthly mortgage payment of \$54,000 adds up to \$648,000 per year. This significantly impacts the church's budget and our ability to invest in the ministries of Open Door, support local and global mission partners, and maintain the aging building.

We believe that God is guiding us towards financial freedom by becoming debt-free. We will be able to respond to these needs and offer our resources for deeper impact in our community and beyond, while faithfully stewarding the ministry of Open Door. Will you join us in the commitment of financial freedom by 2027?

WHAT IS FREEDOM '27?

Freedom '27 is a financial initiative with the goal of eliminating the burden of Open Door's remaining \$3.5 million debt, freeing up our church body to steward the resources God has entrusted to us towards His Kingdom advancement in our community and world.

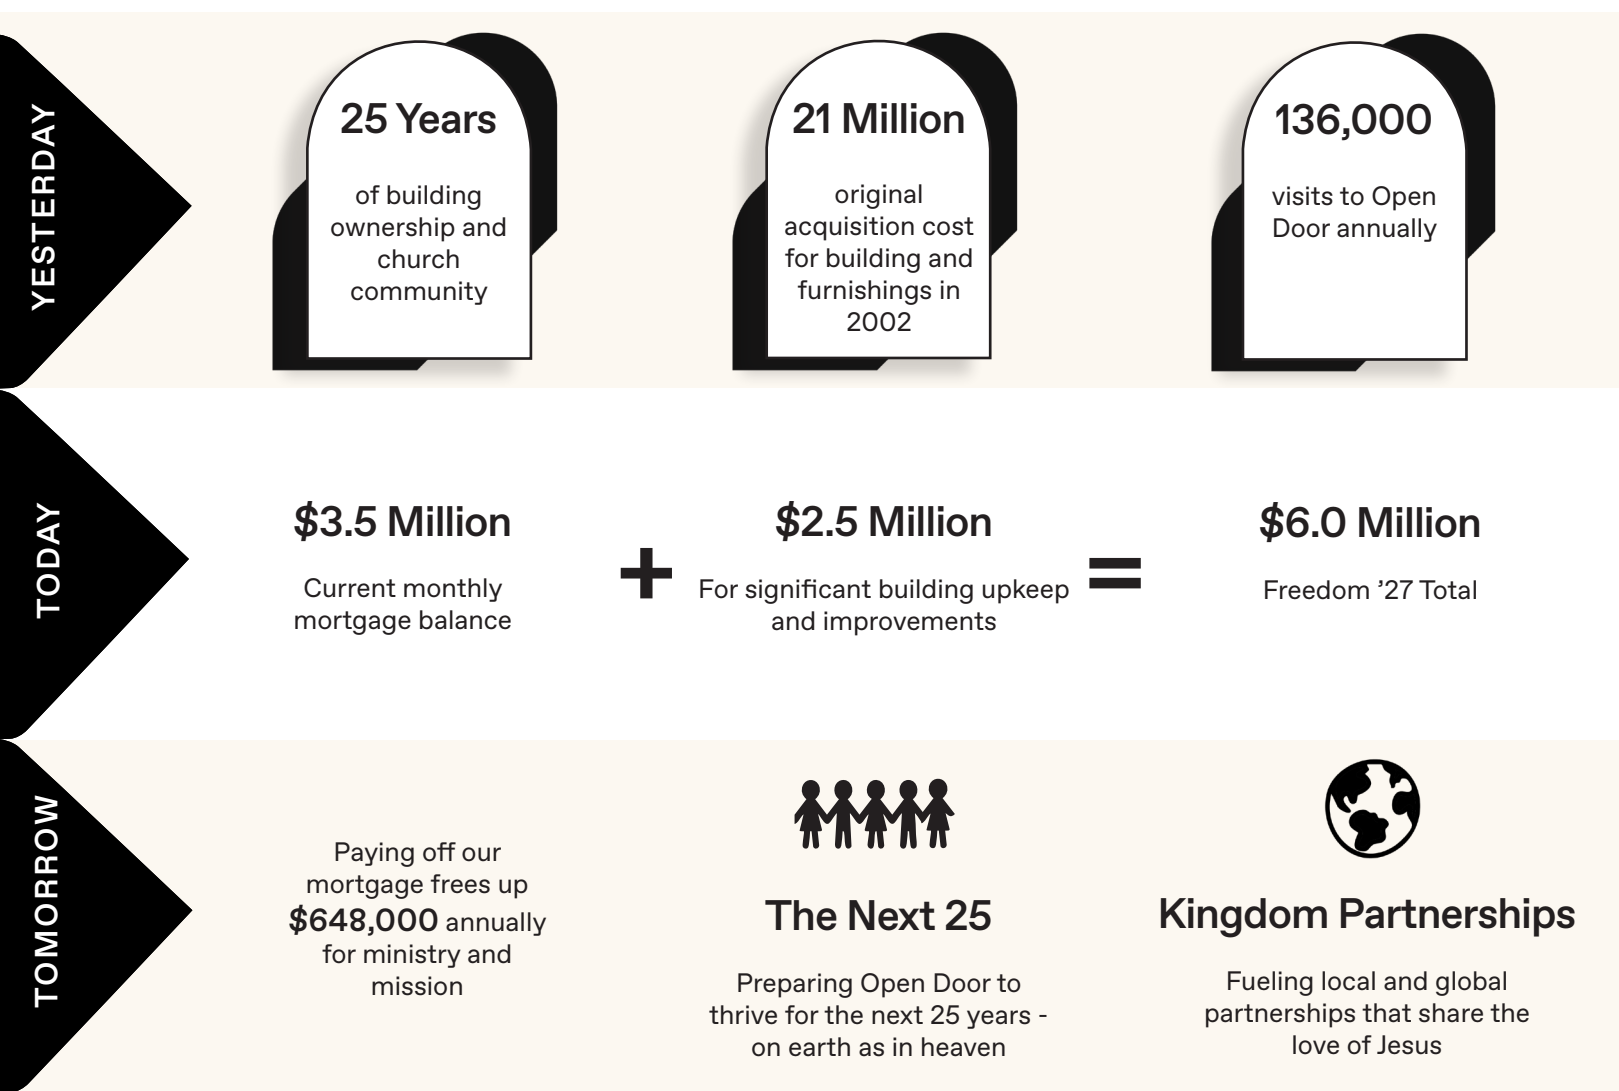

Freedom '27 also serves to raise \$2.5 million to fund essential and significant building upkeep and improvements, ensuring continued ministry for the next 25 years. A total of \$6.0 million is needed.

OUR HOPE...

Our Hope is that through this process, the Holy Spirit will form us to look more like Jesus - spiritually, emotionally, and financially - both as a community and as individuals, for His glory!

Open Door: Impacting Our World

IT'S NOT ABOUT THE BUILDING, IT'S ABOUT HOW GOD MOVES WITHIN IT

Freedom to be a community radically committed to spiritual formation for the sake of others.

Questions?

Will you partner with your broader church family in laying a foundation for the future of Open Door? If so, we invite you to begin with prayer in three ways.

- Pray for the process - that the Holy Spirit forms US to look more like Jesus
- Pray for the outcome - that we reach the goals God has laid out for us
- Ask God how He is leading you to participate
