THE GENEROUS LIFE

In the Generous life, we invite the expansive and abundance nature of Jesus to overflow into how we love, welcome and receive those around us.

In this season, our primary practice is hospitality which helps create a safe place for others to experience the love of Jesus in one another.

Rather than reducing hospitality down to an experience or a unique gift (which is also part of it), we invite you to look at hospitality as a lens through which we begin to see God and others.

As a community, it is an invitation to expand, grow and move from one place to another. From fear to love, from walls to wonder and from scarcity to abundance.
