The Garden After the Grave

Hello Friend,

Easter is not just a day we celebrate...it is a reality we are invited to live inside of.

On that first Easter morning, the world didn't suddenly look different. The disciples were still afraid. Questions still lingered. The landscape still felt uncertain. And yet...beneath the surface, everything had changed. Resurrection had begun.

The early church understood something we often forget: the resurrection is too big to absorb in a single moment. So they didn't rush past it. They lingered.

For fifty days.

From Easter to Pentecost, they lived inside the reality that Jesus is alive. They made space for their hearts and minds to catch up with what God had done. They allowed hope to take root. They learned, slowly, to see.

Whether you are here for the first time or have been a part of our church family for years, we want to invite you into that same journey.

Over the next fifty days, we will walk together through the moments after the resurrection...through fear, doubt, waiting, and wonder...and watch for where new life begins to break through. Like a desert after rain, what once seemed barren has begun to bloom.

This is not about striving toward something new.

This is about learning to live from what is already true.

Jesus is alive. (Mark 16:6-7)

And that changes everything...even if we're still learning how to see it.

So don't rush past Easter.

Stay in it and walk with us.

Let the seeds of resurrection take root in your life.

The bloom has begun....Now let's learn to live inside it.

With you in the journey,

Your Church Family
